

The Buckeye Airlifter

The 179th Airlift Wing, Ohio Air National Guard, Mansfield, OH

August 2002

July drill celebrates unit accomplishments and families

A mini-F-16 on loan from the 180th Fighter Wing in Toledo offered children "flights" around the 179th's flightline during Family Day 2002.

The 179th's Fire Department showed off its toys during Family Day as visitors played with the waterball and were able to get some good fire safety tips in the smoke house.
